

(1) ACP Vision Survey

The objective of the Vision Survey is to begin thinking about what your goal is after high school. This will give you a starting place to create that pathway.

It is okay not know right now or change your mind later.

[Start Assessment](#)

AchieveWorks Personality® helps you identify your personality type by asking you to choose scenarios that best represent how you behave in real life.

This tool will reveal your true personality and provide tips to achieve success, in a way that works for you.

How it Works

-  Plan to spend at least 15 minutes on this assessment.
-  Relax, there are no right or wrong answers.
-  You are unique. Just choose the options that are most like you.
-  Don't be influenced by what others may expect of you.

What's in it for you

-  Clarify your career options.
-  Make assignments and tests easier.
-  You understand others and others understand you.

Sample scenario:

Question 5/36

Choose the scenario that best fits you.

Remember, don't be influenced by how you might aspire to act or what others might expect of you.

- I call up friends to see if they want to get together, and I enjoy parties, because I get to see lots of people.
- I would rather hang out with a close friend or two than socialize with a lot of people I don't know very well.

Personality Assessment Based on Myers-Briggs

Myers-Briggs Type Indicator

- The Myers-Briggs Type Indicator (MBTI), based on Jung's theory of psychological type, reports your preferences on four scales.
- Each scale represents two opposite preferences.
- The four letters that make up your type can help you understand yourself and your interactions with others.

Extraversion or Introversion - (how we energize)

(E) Extraversion

People who prefer Extraversion tend to focus on the outer world of people and things.

- OR -

(I) Introversion

People who prefer Introversion tend to focus on the inner world of ideas and impressions

Sensing or Intuition - (how we perceive information)

(S) Sensing

People who prefer Sensing tend to focus on the present and the concrete information gained from their senses.

- OR -

(N) iNtuition

People who prefer Intuition tend to focus on the future, with a view toward patterns and possibilities.

Extroverts

are energized by people, enjoy a variety of tasks, a quick pace, and are good at multitasking.

Introverts

often like working alone or in small groups, prefer a more deliberate pace, and like to focus on one task at a time.

Thinking or Feeling- (how people make decisions)

(T) Thinking

People who prefer Thinking tend to base their decisions on logic and objective analysis of cause and effect.

- OR -

(F) Feeling

People who prefer Feeling tend to base their decisions primarily on values and on subjective evaluation of person-centered concerns

Judgement or Perception - (how people live their lives)

(J) Judgment

People who prefer Judgment tend to like a planned and organized approach to life and prefer to have things settled. They are more scheduling with their activities. J types prefer "the destination" over "the journey".

- OR -

(P) Perception

People who prefer Perception tend to flexible and spontaneous approach to life and things settled. They are less scheduling with their activities and prefer to keep their options open. They are more probing with their activities. "P" types prefer "the journey" over "the destination".

Thinkers

tend to make decisions using logical analysis, objectively weigh pros and cons, and value honesty, consistency, and fairness.

Feelers

tend to be sensitive and cooperative, and decide based on their own personal values and how others will be affected by their actions.
