

LOYEL

League of Young Environmental Leaders

An opportunity for student leadership, innovation, encouragement, and environmental sustainability activities.

Do you want to take action in your local environment and be part of sustainable solutions?

Do you want to understand global challenges and the ability of young leaders to effect change?

Are you interested in making a positive difference in your community, country, and world?

Our Mission:

- Reach out to peers by modeling leadership, stewardship, and service for a sustainable planet.
- Give all students across the PWCS Division the ability to create sustainable change within their schools and community.
- Educating the youth of our nation on global issues, such as climate change and pollution.
- Take action toward protecting and maintaining healthy environments for learning and living.
- Build partnerships within the community to empower student voices by developing knowledge, skills, and confidence.
